Town of Carthage

PUBLIC WORKS GUIDELINES

Water/Sewer Service

- Water service is billed approximately the last week of the month for that month's consumption.
- The Town of Carthage does not have its own sewage treatment facility. We send our sewage through Moore County to be processed. Due to the fee they charge the Town for that service, your sewer bill, if applicable, will always be higher than your water usage as we, unfortunately, must pass that fee on to our customers.
- All payments are due the 25th of each month. You will have a grace period until the 5th of the month following the due date (approx. 10 days). If payment is not received by 5:00 pm on the 5th of the next month, you may be charged a \$50 late penalty and your service will be disconnected until the monthly payment and late fee is paid. **NO SECOND NOTICE WILL BE GIVEN.**
- We have several payment methods available for your convenience:
 - Register with InvoiceCloud by visiting www.townofcarthage.org and clicking on the "Pay My Utility Bill" button. This will allow you to set up Auto Draft, Pay by Text, set payment reminders, view your bill, and much more.
 - **Pay by phone 24/7 by calling (844) 745-0332.**
 - You may come into the office located at 4396 Hwy 15-501 and pay by cash, check, or money order.
- EyeOnWater is a service offered to our water customers. This service allows you to see your water usage and set leak alerts so that you are in control of your water consumption and can better manage water loss and higher bills. Visit www.townofcarthage.org and click on the "Pay My Utility Bill" button for the link and instructions on registering. Beginning July 1, 2023, there will be no water leak adjustments made on accounts.
- For any questions regarding your water service, please call the Town of Carthage at (910) 947-2331 or email the Utilities Administrator at utilities@townofcarthage.org.

Trash Service

- Trash service is automatically provided and a flat fee of \$11.99 per can, per month will be charged.
- One can is provided with the start of your water service. If you wish to have an extra can delivered, please contact the Town at (910) 947-2331 or utilities@townofcarthage.org to request an additional can.
- Recycling services are available at the Town Hall (4396 Hwy 15-501). Containers are located at the back of the parking lot.
- Our trash services are provided by Republic Services based out of Troy, NC. Please contact Town Hall with issues.
- Household garbage is picked up on either Friday or Monday mornings and should be placed next to the street in the container provided the evening before—no later than 6:00am the day of service. Containers should be removed from the street prior to 12:00 p.m. on the day after collection.
- All locations will be picked up on Monday EXCEPT those listed below. **The streets below will be collected on FRIDAY.**

EyeOnWater Helps You Monitor Your Utility Account

EyeOnWater is a tool offered to our customers to help manage their water usage and be proactive in managing leaks and excessive water usage in your home or business.

The Customer Portal will not only allow you to see your water usage down to the minute each day, but it will also allow you to set leak alerts and high usage notifications that will allow you to avoid those high bills that can be associated with unexpected events.

As of July 1, 2023, the Town of Carthage will no longer be allowing adjustments for water leaks. Although we are not required to, we will attempt to monitor our metering system and notify customers if we detect a leak, but ultimately, it is the customer's responsibility. If you suspect a leak, you can check EyeOnWater or feel free to call the Town and speak with our Utility Administrator who can look and help determine if there is an issue.
